## MODBURY MUSIC FESTIVAL AND FAMILY FUN DAY

Dawn on Sunday 29 August heralded the start of a cracking day for families and music lovers in Modbury. At 2.00 pm the Recreation Field gates were opened to allow the queuing residents to flood in and participate in everything from 'Beat the Goalie' and 'Bungee Running' to the 'Slippery Pole' and 'Table Top Football'.

Just in case Mum and Dad were a bit stressed at all this action there was a fully licensed bar on hand to soothe their nerves. If this did not work there was a Magician to baffle and confuse the children and keep them completely entranced.

As evening approached the bands began to warm up and shortly after 6.30 pm there followed a brilliant evening illuminated by some stunning bands:

**The Penguins  
Obsession  
The Two Johns  
Tom Baker  
Hot Diggety  
The Diamond Geezers  
and Bounce**

## THANK YOU ALL VERY MUCH FOR SUPERB PERFORMANCES ALL ROUND

Together with the Car Boot Sale on the preceding Saturday we raised £3,198 net profit towards the new Recreation Ground Pavilion – which is brilliant. A really big thank you to everyone who worked on the barbecue, hog roast, cream teas and all the stalls and activities which made the event so successful.

.....So successful that we intend to do the same again next year (date to be confirmed). In the meantime we would love to have some more help, so if you are interested please contact Paul Romney – E-mail: [paul.romney415@btinternet.com](mailto:paul.romney415@btinternet.com) or Peter Watts, Chairman MARS – E-mail: [petewatts43@hotmail.co.uk](mailto:petewatts43@hotmail.co.uk).

## BEST KEPT VILLAGE COMPETITION 2010

We scored 94 marks this year; up from 85 last year. We were in the top group of runners up. The reports from the judges highlight the pride we all take in our town (village to the judges).

We should all take heart from this result and who knows, with a few small changes, maybe we can win next year. Well done and thanks to everyone who helped, but especially to the allotment holders.

### "For every cup and plateful; Lord, make me truly grateful"

#### Dear Friends

You might like to memorise that "Grace" prayer in the title so that you can pray it at mealtimes. We can find ourselves taking too much for granted and instead of thanksgiving being an automatic response, we need to be made grateful, by simply stopping and thinking and realising what is happening and becoming "thankful people".

You are invited to a **Team walk on Sat 16<sup>th</sup> October at 2pm** from St James the Less Church at Kingston, followed by refreshments in the church – taking time to appreciate God's wonderful world can inspire us to thankfulness.

In the Bible we read that Jesus healed ten people who suffered from leprosy, but only one of them came back to give thanks. Why do you suppose that was? Here are nine suggestions:

- One waited to see if the cure was real.
- One waited to see if it would last.
- One said he would see Jesus later.
- One decided that he had never really had leprosy.
- One said that he would have got well anyway.
- One gave thanks to the priests.
- One said, "Jesus really didn't really do anything."
- One said, "Any Rabbi could have done it".
- One said, "I was beginning to feel better anyway."

"Come ye thankful people, come..." – a well known Harvest hymn begins with these words and at this time of year many people are doing just that. Will you?

At the end of the month we will be giving thanks for Revd Mike Jefferies' ministry in the Modbury team as he comes to his last service **on October 31<sup>st</sup> - a Team service at St Michael's Church, Loddiswell at 10.30am**, before his retirement. We are grateful for the way Mike and Enid have shared their lives with us.

I have been assured by John, the Bishop of Plymouth that we can expect another full-time clergyperson in post, by the autumn next year; for which I am thankful.....

*Yours thankfully..... Neil Barker*

### MAKING CUTS

St George's Church spent more money than was given last year and it looks as though we shall be spending about £5,000 more than our income this year.

The following things are being done to reduce expenditure:

1. The path beside the church will only be illuminated until 11pm.
2. The church phone line will be disconnected.
3. The new email address is:  
[modburyteam@gmail.com](mailto:modburyteam@gmail.com)

## ACTIVE VILLAGES BRIEF FOR MODBURY

The Active Villages Programme has been set up by Active Devon after a successful bid for funding from Sport England which was complimented by money from Devon County Council. The aim of the project is to raise participation levels of those in rural communities. All parishes in Devon with a population of between 500 – 2000 are included in the three year programme.

Modbury falls within this bracket and has been chosen to be one of the first parishes to receive this support and funding opportunities through being included in the pilot phase of the scheme.

Active Devon has tendered out the Sports Development work for each district to relevant organisations. Tone Leisure was successful in the South Hams and Mid Devon Districts leading to Ben Ayres being appointed the Active Villages Community Co-ordinator for the South Hams area.

His role is initially to engage with each parish through its Council, other organisations and the local people in the community and consult with them to find out what sporting and physical activity opportunities they would like.

He will then assist in setting up the activities using available funding for coaches, facility hire, equipment costs and any training requirements as well as his time and experience in the field.

Finally he is there to help the community make any opportunities sustainable by training local volunteers and helping with further funding advice.

This is a great opportunity for Modbury to access some funding to create some fun, sustainable, physical activities for the people of the parish.

It can be used to make use of existing facilities, create entirely new clubs/groups or for any established clubs to expand, offering services to groups they may not currently engage with.

Please forward any comments to the Parish Clerk, David Hansford at 6 Modbury Court, Church Street, Modbury PL21 0QR or e-mail [modburypc@tiscali.co.uk](mailto:modburypc@tiscali.co.uk).

## BEST KEPT VILLAGE COMPETITION JUDGES REPORTING SHEET

Modbury never fails to enchant. It has almost every amenity a town would have but on a much smaller and prettier scale. The big news in Modbury this year has been the launch of the Modbury Allotment Association. This only took place in March but already the plots are under cultivation and looking splendid. What a huge asset to the community. Also new to Modbury is the impressive archway over the gates at the west end of the church path provided and installed by Richard Bent. It looks amazing with the church in the background.

On the day of the visit it was sunny and Modbury looked lovely. The planted tubs, particularly those in the car park, are a big improvement and I can't remember ever seeing recycling bins with no attendant rubbish. People living here obviously take a pride in their surroundings – private gardens showing evidence of a great deal of hard work. The commercial premises all look well cared-for.

The Millennium Meadow, whatever the plans for its future, is in any event a welcome extra patch of green for the village, it is pity the footpath from Galpin Street is rather steep but fortunately there are other approaches.

Everyone knows that Modbury led the world in caring for our environment. It is good to see the village is living up to its reputation. As for local clubs and societies, they are too numerous to mention.

I understand that the Parish Council is very keen to preserve and enhance the area around the Civil War heritage site at Runaway Lane which is being used inappropriately by off-roaders. I hope the council succeeds in this regard and I applaud its effort to keep this fascinating and beautiful spot accessible to walkers.

Like many villages, Modbury does suffer from a great deal of traffic, but I think those people intending to pass right through on their way to the beaches must be tempted to stop and stay awhile. It is well worth it.

### 2ND VISIT

Although the A379 runs right through the middle of the village, cutting it in two, it hasn't split the community spirit. Working together shows up well here, from all the tubs and hanging baskets outside the commercial premises, private houses all around the village, the Millennium Meadow and the excellent allotment scheme.

The allotments only started in March this year, are absolutely first class, laid out and really looked after. Already looking for a bigger plot and with a waiting list this scheme can only go forward – it is a credit to everyone involved.

The Millennium Garden again looked after by volunteers, with a little help from the sheep to keep the grass down. We had two concerns over this area – 1- all the rubbish dumped in the stream, 2- a little more serious, a large amount of barbed wire laying in the meadow – a danger to children and animals – pity someone couldn't have taken it away. On a brighter note, there was a marked absence of litter in the village, a thriving school, good tennis courts and pavilion, a well maintained hall and play area – the Fair Week seat needs a little help.

It was a pleasure to stroll round the village and it was very difficult to find fault, even the rain that came in the afternoon, couldn't dampen our enjoyment – Well done Modbury.

## THE MODBURY CRICKET CLUB

The Modbury Cricket Club (known to many readers and, indeed, worldwide as the M.C.C.) has now formally adopted a constitution with membership (one pound) and a committee. *'The purpose of the Club is to provide opportunities to play cricket for people of any ability, age and of either sex who live in the parish of Modbury'* (article 2 of the constitution).

This summer practices have been regularly held on the Recreation ground. The annual match against Kingston

has taken place, as widely reported across the South Hams by the Kingsbridge Gazette. The match record of the club is wholly consistent thus far, but members are determined that next year Kingston, the ancient foe, will be utterly humiliated.

The club's playing membership spans fifty years in age and quite a spectrum of ability as well. As quoted above, we are open to all and hope that both those young people who may be dreaming of a professional future and those older people who have retired from more earnest forms of the game will consider applying for membership. By way of encouragement it should be said that older members when fielding are permitted to bring zimmers onto the pitch and no one will be critical if such stop the ball with a boot and then wait for nimbler colleagues to retrieve it from ground level. Most playing members, however, are in their middle years and the exercise provided has led to a marked improvement in the average health of the Modbury community as a whole.

'Sport for all' was the expressed wish of one former government and here in Modbury we are taking that message to heart. Perhaps in time teams of varying ability and athleticism may take to the pitch, but so far our variety has added spice to our sportsmanship!

Practise sessions will start again in the spring.

Applications for membership should be addressed to Donald Hodgart at No 5a Church Street, Modbury – [hodgarts@aol.com](mailto:hodgarts@aol.com).

Chairman – Rodney Bomford

## THE GREEN CORNER Did You Know....?

Astound your friends, increase your popularity and enhance your green credentials by remembering just one of these facts each day, and dropping it into conversation in a quiet moment on the Green Box. Each line should be preceded by the words: "Did you know that....."

- At peak school travel times nearly one in five cars on the roads are taking children to school.
- One drip per second wastes around 1,200 litres of water per year.
- Each tonne of paper recycled saves 15 average-sized trees, as well as their surrounding habitat and wildlife, and saves 380 gallons of oil.
- Taking a shower instead of a bath saves enough water each week for 1000 cups of tea (you don't have to drink them all in the shower)
- Using a hose to wash your car wastes up to 300 litres or 33 buckets of water (I'm not sure I've used 33 buckets of water in total to clean my car since 2002).
- The volume of waste produced in the UK in one hour would fill the Albert Hall.
- In one year there would be enough waste to fill dustbins stretching from the Earth to the Moon (is that what Apollo 13 was all about?)
- Every year in the UK we use 13 billion steel cans which, if placed end to end, would stretch to the moon three times (Apollo 14?) Modbury's contribution would be from Modbury to Plymouth and back.
- If all the aluminium cans sold in the UK were recycled, there would be 12 million fewer full dustbins each year and a much cleaner Millennium Meadow.
- The energy saved by recycling one bottle will power a 100 watt light bulb for almost an hour or a computer for 25 minutes.
- On average, every family in Modbury uses around 330 glass bottles and jars each year, of which over 50% are recycled. Nationally we only recycle 30% of these containers.

Be prepared – you never know when any of these facts might come up on pub quiz night at the Modbury Inn.

## SCHOOL REPORT

### IT'S ACADEMIC

Modbury School's outstanding Ofsted rating, plus a Local Authority category 1 rating, has resulted in the school being offered Academy status. Ivybridge Community School, Modbury's feeder secondary, has become an academy as of this academic year. So far, Modbury School's governing body has chosen not to take up the option at this stage.

### SNAKES ALIVE!

Two unusual guests slithered into the school grounds last month, in the form of a brace of snakes. Horatio the corn snake and Aeschylus the boa constrictor were brought in to the delight of children from Years 3, 4 and 5, to help them with their topic work. Dylan Fox, from Year 5, pictured, was one of the many who made the most of his opportunity to get to know the visitors.

### READY, STEADY, LET'S GROW

Anyone who has enjoyed the profusion of spring and summer flowers that have bloomed outside the Reception/Year One classroom can now make their contribution to gardening equipment for every class.

Year One's equipment was bought with vouchers from supermarket Morrison's Let's Grow Scheme. The scheme is running again this year and vouchers will be given out in the supermarket until the end of October. So, all you dedicated shoppers out there, collect as many as you can, hand them in to the school, let the children do the hard work and stand back and admire the results.

## MODBURY ASSOCIATION OF RECREATION AND SPORT (MARS) NEWS

Are there any groups out there that need a base for their sporting or recreational activities? If so, why not become an affiliated member of MARS? It only costs £10 per year and gives free use of the recreation field. Other charges for field/building hire are listed below. For information on hire or affiliation please contact Mike Tillett on 830597 or Peter Watts on 830648.

With the generous help of the community, The Parish Council, South Hams DC and South Devon Coastal Local Action Group, we are well over half way to our funding target to build a great new changing room/pavilion on the recreation field. Architects have drawn up some exciting plans. So, watch this space for further details.

One of the success stories of recent years is the growth of football in Modbury. A new junior pitch has been laid, and four league teams are now playing on the field. It's now time for a "veterans" team. Anybody interested in playing some friendly one-off games, please contact Peter Watts on 830648.

Several Branch Members were also in attendance.

### CONGRATULATIONS TO THE RESIDENTS OF SILVERWELL PARK.

Mentioned in the above 'Poppy Appeal News' is a Street Party which was held during August in Silverwell Park. One of the organisers has written the following account,...

"Despite inclement weather a very successful Street Party was held in Silverwell Park on Sunday 22 August for residents and friends. A cheer was given to Pam at No 5 who, at the last minute, when the heavens just poured down, opened her bungalow to approximately 50 guests – from the ages of 1 to 80 years! Everyone enjoyed themselves – plenty of food and drink to which everyone had contributed.

With several donations and a raffle, £210 was raised for the Modbury Royal British Legion Poppy Appeal.

Thank you to everyone who supported this successful event".

To create an attractive and safe place for the community and improve the economic well-being of Modbury

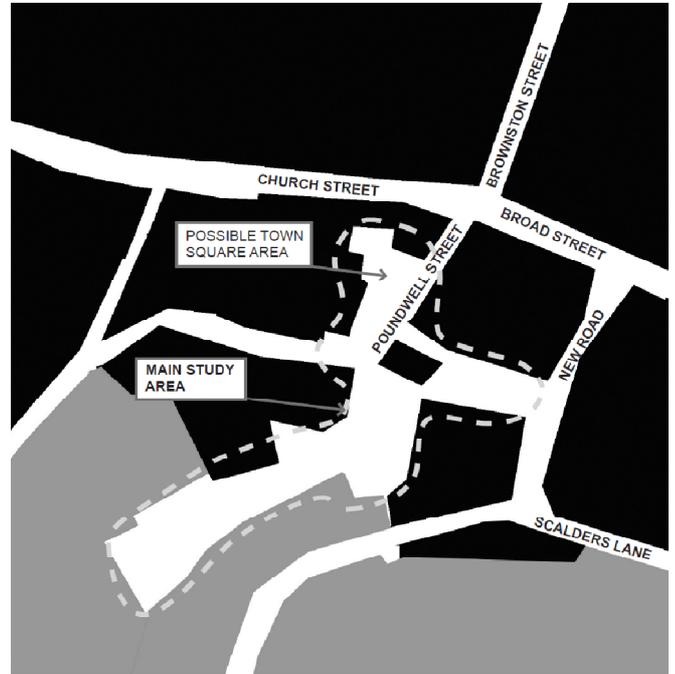

**Tuesday, 12<sup>th</sup> October at The White Hart, Modbury**  
**Any time between 1.00 pm and 8.00 pm**

Modbury Parish Council and the Town Square Group invite you to an open exhibition of design ideas for a town square for Modbury that will take into account the wider enhancement of the Poundwell area and car parks.

The plan on the right shows the area that the design consultants are studying in order to present their ideas for how we can achieve a town square without loss of car parking. We want to get as much feedback as possible from everyone in the community

You will be able to make your views known and/or complete a form with your comments at the exhibition. Or you can post to The Parish Office, 6 Modbury Court, Church Street, Modbury PL21 0QR or email [modburypc@tiscali.co.uk](mailto:modburypc@tiscali.co.uk)

Opinions gathered at the exhibition will help to form the basis for the consultants to develop a preferred proposal.

## MODBURY SOCIETY WALK TO BROWNSTON

What a fantastic day it was when a great crowd walked to Brownston for their cream tea with a quiz at the end.

Many of the walkers turned down the offer of a lift back to

Modbury preferring to retrace their steps, sustained by a cream tea and cake. It was such a success I am sure we will repeat it with something similar next year.

The message is clear – you cannot rely on HMRC to get it right!  
So if there are (say) 2,000 taxpayers in Modbury and the surrounding area,  
then about 400 are paying too much, or too little, tax.

Can you afford to be one of these? Are your tax affairs in order?  
Have you checked your Tax Coding and reconciled your tax liability?

Through our specialist HMRC approved computer system for tax returns we  
can tell you your position – quickly and inexpensively, in complete confidence
