

# MODBURY MESSENGER

Modbury Tennis Club celebrated the completion of the re-surfacing of their

all-weather tennis courts in July with an Open Afternoon and Strawberry Cream Tea. They've certainly had all weathers thrown at them this season but players are delighted with the new surface which is playing well in all conditions. A strategically placed gazebo kept the scones and cream dry and the odd shower couldn't dampen their spirits! This is a great facility for the community and hopefully we still have some fine weather to look forward to for everyone to enjoy some tennis.

**Photo:** Treasurer Gerry Kendrick thanks MARS Chairman and Parish Councillor Peter Watts for their support with the project.

## MODBURY SCHOOL AND PRE-SCHOOL FUN RUN 2007

There's still time to clock up a few more training miles before this year's Fun Run in aid of Modbury School and Pre-School which takes place on September 30th.

The run will start and finish on the School Field, which will also be hosting a fun day for all the family with bar, BBQ, market stalls, a bouncy castle and plenty of games and amusements. The testing three-mile course will be the same as last year, through Sheephams and back through Weeke, in order to avoid the town centre. A run for younger children will take place at the same time on the School Field.

Runners can register on the day, the gates open at 11 am and the run will start at 12 noon. Anyone who would like to lend a hand on the day can contact Claire Hagger on 830957 or Ellen James on 831230.

### MESSENGER MESSAGE

Welcome back to all readers. We hope you had a good summer break (despite the weather).

Please note that due to the restraints of space and cost it is sometimes necessary to précis articles or omit them from the Messenger altogether. Please therefore keep all articles as succinct as possible to minimise the risk of change. Many thanks.

#### Giving thanks and more....

#### Dear Friends

As we draw near to Harvest  
Thanksgiving Festivals, we  
remember all the hard work our

farmers do and the special  
challenges they have had this  
year. Aveton Gifford will  
celebrate with a service at 6.30pm  
on Friday 21<sup>st</sup> Sept in St.  
Andrew's Church followed by a  
Harvest Supper in the Memorial  
Hall. Modbury will have a  
Harvest Supper in the Memorial  
Hall on Sat. 6<sup>th</sup> October at 6.30pm  
with the Harvest Festival on  
Sunday 7<sup>th</sup> October at 10.30am.

This month in  
Modbury we  
are  
undertaking a  
"Harvest of  
Talents and Ministries", inviting  
people to consider prayerfully  
what they can give in practical  
service of the Lord in the local  
church. Leaflets are available in  
church, which outline the  
opportunities from leading  
worship to photocopying,  
bereavement follow-up to being a  
mission link. I am asking people  
to bring their offers of practical  
help in the leaflet to the Harvest  
Service on Sunday 7<sup>th</sup> October.  
Jesus said: "The harvest is  
plentiful, but the workers are few.  
Ask the Lord of the harvest  
therefore to send out workers into  
his harvest field."

In Aveton Gifford we are thankful  
for all that Sue Stanger has done  
in her time as Church Warden.  
There will be an Extraordinary  
General Meeting of  
Parishioners on 20<sup>th</sup>  
Sept at 7.30pm to  
elect a new Church  
Warden.

Harvest Thanksgiving helps us to  
remember that God calls us to  
look after his creation. On Wed 3<sup>rd</sup>  
October at 7.30pm in St George's  
Church we will be showing the Al  
Gore film "An inconvenient truth"  
about global warming. Come and  
join us as we think about our  
responsibility.

Thank you for your help.

# ngela's Garden Corner

## Your Garden in September

*After all the rain we've had this summer, the autumn is going to involve a lot more trimming and tidying up than usual...*

### Lawns

Lawns have grown long and rank this year. If you have kept up with the mowing this will not be a problem, but if the grass has been allowed to get long, perhaps because of holidays, you will need to return to a Spring type of mowing with the blades set higher at first. Don't leave the clippings on the lawn because, with so much moisture in the ground, there will be a strong chance of fungal outbreaks.

### Beds and Borders

Plant spring bulbs, such as daffodils and tulips, in natural groups following an oval or boat shaped design. This looks better than a formal shape like a square. Some people like to throw handfuls of bulbs on the ground and plant them where they land, but in my experience you always lose quite a few and they can be bruised too!

If you want to have Spring bedding, like wallflowers and polyanthus, these can be planted now. Remove summer bedding and fork over the ground, removing weeds as you go. Add some fertiliser before planting.

Cut back any herbaceous plants and seedheads and lightly fork over to leave the bed tidy.

Autumn flowering plants are very useful at this time of year, giving a last burst of colour before winter. If your garden looks a bit tired, why not add some nerines or schizostylis, hardy fuchsias or abelias to give late colour next year.

Think about the winter months in September and plant

something which will help the cold season seem shorter. Even when it's icy the Christmas Box, sarcococca, will flower, and even if you can't get outside to see it, you will smell its perfume on a still day. Daphne odora will also flower in the depths of winter, and for those with only a small garden, the Algerian Iris, iris unguicularis, will flower all through the cold months whenever there is a milder spell.

### Vegetables and Fruit

Remove the old canes from fruit like raspberries and tayberries and tie the new canes into their framework.

Pick plums, pears and apples as soon as ripe. Do not tug apples off the tree. If they are ripe they will come away easily when cupped in the hand. Store perfect fruit carefully and use the less than perfect for juice or cooking.

Tidy up the vegetable garden and the greenhouse. Put down compost or straw on vegetable beds to protect the soil. When you have picked the last of a crop, remove the plants along with support sticks and debris. The courgettes should crop until next month. Brassicas can be protected from the cabbage white butterfly by covering them with fleece. Clean the greenhouse glass to maximise light levels in the coming months. Greenhouse hygiene is more important now too, so clear any debris and tidy up old leaves.

### Pots and Patios

Summer bedding has not flowered as well as usual for a lot of people this summer, due to the rain, so it might be best to

scrap any old plants and replant with pansies or violas for the winter. However if your bedding is still healthy, cut it back, removing all faded flowers, give it a good feed, and leave it. If we get a fine warm autumn it will surprise you!

### Six Great Non-Stop Bloomers to plant now

***Osteospermum*** These flowers (there are several varieties) are daisies from South Africa which will flower virtually all year, sometimes having a break for part of the winter. In my garden they have flowered in every month including January.

***Poppy*** *Papaver rupifragum* flore plenum, sometimes called Orange Feathers, is a perennial poppy which just keeps on flowering, on and off, throughout the year.

***Erigeron mucronatus*** is the pink and white daisy that grows here in Devon in walls and banks. Rarely out of bloom.

***Viola cornuta*** is a bedding viola but it is hardy and flowers non stop for

months. When you think it's finished it will start again.

***Verbena bonariensis***, from Buenos Aires, has tall stems with purple flowers on the top. Not only does it flower all summer but the flowers will dry in situ and stay attractive most of the winter.

***Clematis tangutica*** will not only flower from May until October, but the seedheads last for most of the winter and look like silvery stars.

## GEOFFREY SHEERS: 1914 – 2007

Geoffrey Sheers spent many years of his life as a Chest Physician and Radiologist carrying out research that would affect thousands of people in many countries. He worked on Tuberculosis in Cornwall but primarily on Industrial Disease caused by exposure to coal, China Clay and asbestos. I had the privilege of working with Geoffrey for over thirty years, during which time he contributed a great deal to our knowledge of Industrial Medicine and also gave of himself as a sympathetic, caring and supportive Medical Practitioner.

*Ruth Robinson*

Geoffrey and his wife Jean left Modbury where they had lived for some 20 years to live in Raglan in 1995. Jean died in 2000 and now sadly Geoffrey has gone. They both, in their individual and distinctive ways, made a huge contribution to life in Modbury; Jean with her brilliant town models and intricate patchworks of house frontages and Geoffrey as staunch supporter and Vice Chairman of the Modbury Society. His advice and fine judgement in planning matters that ranged from broad policy to particular detail were invaluable. The plethora of housing projection, employment land and transport statistics in weighty consultation documents were grist to the mill to him and he always came up with a sound response. He was not just office bound though; I recall sitting with him in an upstairs window above the chemist's shop in Broad Street sometime in the late 70s whilst we monitored traffic flow through Modbury as evidence against the day when we might need some juggernaut relief. The Modbury Society is grateful for all that he did for us.

# SCHOOL REPORT

## WHOOSH...

Summer holidays have come and gone! When I was at Primary school the summers just went on and on. Every day it seems was sunshine and I was out the door at the crack of dawn and only returned home for grub! A day out with mum and dad was an exception rather than the rule and meant a trip to boring relatives, travelling around the countryside squashed in the back of a turquoise Ford Anglia arguing with my brothers and sisters. Given the choice my mates and my old fixed wheel push bike and the open road won every time!

How times have changed, speed of time must be an age thing, but as a child my parents told us to go out and make our own fun, 'find something to do and make sure you are back for lunch.' Now it's the children saying "please entertain me....make my fun" and we say, "and make sure you stay in sight of me!" Are we teaching dependence or independence?

Who cares about holidays anyway, what we want is schooling, good schooling. What have we got, **GREAT SCHOOLING!**

The end of year Year 6 SAT results have illustrated the quality of teaching and student ability at Modbury School. Statistics illustrate the attainment of our pupils, grading them into levels agreed nationally. These highlight attainments: below the expected level, expected level and above expected level. In English overall 100% of the children attained expected level or above with 60% above expected level. In reading alone 72% of children were above the expected level. In maths 94% achieved expected level or above with 54% above expected level. In Science 100% of the children have achieved expected level or above, with 76% above expected level.

Further evidence of our excellent schooling can be found by viewing

the recent government CVA (Contextual Value Added) reports for 2006. This analysis looks at how much progress each child makes in their learning from their KS1 (Year 2) results to the end of KS2 (Year 6) SATs results. This is a measure not only of the grade attained at the end of Y6, but the achievements in progress throughout KS2. The report asks what value the school added. What difference was made? Did the children make expected, or above expected progress?

We are delighted to say that in the government analysis of the **2006** Y6 results, the children at Modbury Primary School made significantly above expected progress. This placed the school in the top 5% of schools nationally for the progress made in the 4 years in KS2.

These are excellent results and we applaud all the teaching staff and the pupils for their hard work. These results, along with the social skills taught within the school make us a school truly **Second to None!**

## NEW APPOINTMENTS

We are delighted to let you know that at interviews held late last term, Mrs Caroline Strachan was appointed as a permanent teacher at the school and Mr Simon Hill as a temporary teacher to cover the secondment of the Deputy Headteacher, Denise Plant, until September 2008. We wish them well and welcome them as valued members of Modbury School.

## POETRY

During the second half of the school year, Year 4 pupils entered a Young Writers poetry competition, by Forward Press. About 60% of the entries nationally are being published.

The children in Year 4 are thrilled as every child in the class has had one of their poems selected for publication. The book is to be published 31/10/07 and we will advise you when we have a copy available to view.

## OUT WITH THE OLD YEAR IN WITH THE NEW

The Sports day, Swimming gala and Years 5 & 6 residential visit to River Dart Country Park concluded the scurry of activity that closed the 2007 academic year. Thank you to our Y5 and year Y6 children for conducting themselves so well on their residential trip to the River Dart Country Park in July. They came home with the expected heaps of laundry but importantly lots of tales of their adventures and tired but happy smiles. Thank you to Mrs Garnett and Mrs Dixon (did you really go on the zip-wire and up the climbing wall?) for accompanying them and also to those parents and teaching assistants who provided transport and support during the trip - the rewards are clear to see.

**We are so fortunate that our children's attitude and courtesy without exception receive notice when we go on day or residential trips, which makes us even more proud of the children than we are already!**

Mrs Bridie Thong, our head teacher, and her team have spent part of their summer planning the new year ahead. A full agenda of academic learning, music, art and sport, inside and outside of the classroom will be in place and no doubt the themes and activities will as ever be challenging and stimulating.

## MODBURY SCHOOL AND PRE-SCHOOL FUN RUN 30 SEPTEMBER

Time to get your running shoes on and start training. The venue is the school field and there will be a BBQ/ram roast, bouncy castle and various other activities to keep the children amused, as well as live music and a beer tent. **DON'T MISS IT.** Good luck for the coming year to all children, parents and teachers who are new to our school and to those who are have been with us some time.

Enjoy...

**MODBURY LOCAL  
HISTORY SOCIETY**

Programmes for our next series of talks have now been distributed and we begin on **September 12<sup>th</sup> at 7.30 pm** in the Assembly Rooms at the White Hart, by kind permission of the management. The speaker on this occasion will be Bill Scarratt from Kingston whose subject will be 'William King, Master Mariner. Born at Wonwell in 1816, he died at Salcombe in 1883, and he was involved in the fruit trade. This illustrated talk is sure to be interesting!

At the end of the evening our Treasurer, Stephanie Linnell will be collecting subscriptions, which remain at £5.00 for the 2007 – 2008 series, or £2.00 per meeting for casual visitors – who are always welcome. Coffee will be available.

**MODBURY FRUIT  
AND PRODUCE  
SHOW - 2007**

There has been some material discovered that describes the Modbury Show back in 1904, making this one of the longest-running shows in this area - 103 years, with a break for war years.

Despite the bad weather we have all suffered this year, the show was a great success and the Memorial Hall was once again a blaze of colour with all the exhibits. I was not expecting to see so many garden flowers because of the wet weather but the exhibitors did very well. The fruit section was well down as the wet had turned much of it mouldy. There is a great shortage of pollinating insects this year because it has been so cold so the runner beans are a little behind, as with many other vegetables.

The cookery was well up on previous years with 103 entries. The lemon cake section had eight entries and first prize was won by a gentleman who also took first prize in the over 60's class for fruitcake. It is not often we have men entering the cookery.

The children did us proud with all their exhibits. The Modbury Brownies entered 15 drawings in the section 'Draw a Farm Animal' and the winner was a cow with lovely long eyelashes - it was drawn really well and caught the judge's eye. In the 'Animal made from Fruit or Vegetable' there was a beautiful penguin; I think the idea came from a series on the television. When it came to the children's prizegiving I don't know who was more excited- the mothers or the children.

There was an exhibition from The Modbury School Art Club, ages ranging from 5-11 years old. There

were paintings pottery and models; the display was excellent and was the talking point of the afternoon. We will probably have a class for pottery in next year's show so I hope to see some entries from you all.

I would like to thank Mr John Burns, our president, for presenting the prizes.

As the show's funds are in good health we were able to present Mr Peter Watts with a cheque for £100 towards the MARS Pavilion Building Fund.

I would like to thank the people who gave their exhibits, and Mr Geoff Fielden once again for conducting the auction - this raised just under £200 for the show funds. I must apologise to those people who had their exhibits taken for the auction without their permission, due to someone over-enthusiastically clearing away – very sorry! I hope this won't put you off entering another time.

Thank you to Joan and the ladies for the lovely lunch and to everyone who helped during the day.

I hope to see you all again next year.

*Angela Peters, Show Secretary*

**See Page 9 for a list of the  
Prize Winners**

**THANK YOU  
MODBURY**

We would like to say thank you to all our Modbury friends for the wonderful wedding gifts presented to us on 30th June. The bowl has pride of place in our lounge and the goblets make the champagne taste even better!

The biggest thank you however, goes to Sarah Wyatt for organising a surprise party where many of our friends were able to enjoy a pre wedding celebration with us. Despite the rain on our wedding day, we had had a fabulous time and I can report that the only murder committed during the evening was purely fictional and part of the entertainment!

## MODBURY PARISH COUNCIL MEETING

Minutes of Parish Council meetings are published in full on the Parish Notice Board outside the Post Office.

## PLANNING DECISIONS

**Modbury Parish Council recommended approval and SHDC granted permission for:**

*Unit 10C, New Mills Industrial Estate* – Change of use to kitchen display.

*1 Oakwood Drive* – re-submitted plans for erection of conservatory.

**Modbury Parish Council recommended refusal and SHDC granted permission for:**

*The Old Surgery, Moon Lane* – Retrospective application for erection of shed, fencing and canopy over patio doors.

**Modbury Parish Council recommended refusal and SHDC refused permission for:**

*5A Church Street* – Conversion of detached garage to dwelling.

**SHDC refused permission for:**  
*11 Oakwood Drive* – Work to trees under Tree Preservation Order.

**SHDC advised:**

*Spriddlescombe Manor* – Agricultural determination for erection of extension to existing barn – prior approval not required.

**Modbury Parish Council made the following planning recommendations:**

*Key Cottage, Brownston* – Extension to dwelling for disabled use – recommended as submitted.

*Methodist Church, New Road* – Re-submission of application for conversion to two dwellings – recommended as submitted.

## TEMPORARY ROAD CLOSURE

Galpin Street will be closed between 10<sup>th</sup> – 13<sup>th</sup> September 2007

## EQUAL OPPORTUNITIES POLICY

The Parish Council formally adopted an Equal Opportunities Policy Statement which will be displayed in the Parish Office.

## COMMUNITY SUPPORT GRANT

Devon County Council has advised the Modbury Parish Council that a Community Support Grant of £850 will be available for distribution to support community activities within the Parish. The grant will be distributed on a 'matched funds' basis – i.e. for every £1 of grant the successful applicant organisation must match the grant on a £ for £ basis. Any organisation wishing to apply for grant support must apply in the first instance to David Hansford, Clerk to the Council, 6 Modbury Court, Church Street, who can provide advice on the application process and submission to Devon County Council for consideration.

## POLICE SURGERIES

PCSO Stacy Thorn – Our local Community Support Officer will hold open surgeries on the first Monday of every month from 5.00 pm to 10.00 pm – commencing Monday 3<sup>rd</sup> September. These will be held in the Parish Office at 6 Modbury Court, Church Street.

Stacy will be happy to discuss any neighbourhood concerns that you may have so please **do** make use of this service, which will improve the overall policing of our town and make the Policy Family more accessible to all of the community.

## MEMORIAL HALL

The Memorial Hall has several large specimen trees within the grounds that have recently been tempting adventurous young spirits to try their climbing skills. Parents are advised that the Trustees of the Memorial Hall **cannot be held liable** if accidents or injuries occur as a result of this type of activity.

# PROPOSED MODBURY COMMUNITY, SPORTS AND RECREATION CENTRE – Fund Raising Appeal

In the July Messenger we carried a leaflet setting out the background to the above appeal and indicated some of the support and help we need if we are to be successful. In this edition we would like to give you more information on both progress and ways you can help:

## YOU MAY RECALL:

- We need approximately £383,000 to build a community, sports and recreation centre.
- We have raised approximately £19,000.
- We have applied for £316,000 from the Big Lottery.

## HOW ARE WE DOING?

- Our lottery application is going through the Stage 1 process – the first step telephone interview has been completed. We expect to know in early September if we can progress to Stage 2.
- If we get clearance to go on to Stage 2 then this could take up to 9 months before we will know if we have been successful.
- We have a small team working on fund raising events but need help - see below.

## WHAT YOU CAN DO

- If you are feeling generous (and a special thank you to those who have already done so) then donations should be sent to P Jolly, Treasurer at Silverhill, 3 Trevear Gardens, Modbury. (Made payable to 'Modbury Association of Recreation and Sports').
- Please support our events during the next 18 months – not only will you have some fun but you will be making a vital contribution to the appeal.
- We urgently need helpers to run with specific fund raising projects. We have lots of ideas but need people who will be responsible for an event. If you are willing to get involved contact either Nikki Mitchell on 831160 or Peter Preston on 831324.

➤ Any lottery grant money over £250,000 has to be matched £ for £ by cash or services that the appeal committee have raised. So an electrician who has a charge out rate of £30 per hour who gives us 30 hours work will count as £1,050 worth of matched funds. So you can see that this type of support from skilled tradesmen and women is vital.

## ➤ JOIN THE MARS LOTTERY

The lottery is drawn every month. 50% of the income each month goes to the fund and 50% to prize money split 1<sup>st</sup> prize 30%, 2<sup>nd</sup> prize 20% and 3<sup>rd</sup> prize 10%. **If you would like to join then contact Lynn Weeks or any member of the MARS committee.**

£13 means you are in the draw for twelve months or £7 for six months. We can even arrange to collect your subscription from your home. **Call Lyn Weeks now on 01548 830007 to join** or if you would like to pay by standing order **call Phil Jolly on 01548 831263**.

## WHO WE ARE AND WHAT WE WILL DO:

- ❖ Modbury Parish Council established the Modbury Association of Recreation and Sports (MARS) as a sub committee several years ago. It is the MARS committee who are sponsors of the new facilities planned building and associated fund raising. The committee is made up of: Peter Watts, Grace Webb, Phil Jolly, Jim Pefford, David Rickman, Roy Sims, Mike Tillett, Brian Weeks, Lyn Weeks, Nikki Mitchell and Peter Preston.
- ❖ Through the Messenger and public forums we will keep parishioners advised of progress on both the building plans and fund raising.

**THE PLAN OF THE PROPOSED NEW BUILDING IS SHOWN ON THE OPPOSITE PAGE**

## CALLING ALL COOKS

We are going to publish a **MODBURY COOKBOOK** in aid of the **MARS APPEAL** and need all your favourite recipes so that not only can we claim to be 'Plastic Bag Free' but we will have the best recipes in the South Hams, if not England!! You know the ones that always work and always get the "Oh great, my favourite" from Dad, the children or friends. Tell us why it is so popular and why not add a little bit about yourself and where you live in the South Hams, which will add a real interest when we put your favourite into print.

**Starters, Mains, Puds, Salads, Jams/Chutneys, Cakes/Biscuits – whatever you like as long as it is great to eat.**

Don't be shy – send your recipes by e-mail to [prestons@onetel.com](mailto:prestons@onetel.com) or on paper to the Parish Office, c/o David Hansford, 6 Modbury Court, Church Street, Modbury PL21 0QR.

Please be quick as we would like to get something prepared in time for Christmas.  
**Your chance for a bit of fame - and it will make a great Christmas present too.**

## MODBURY MILLENNIUM MEADOW

### VOLUNTEER WORK PARTY

**We will be having another working session on site on: Sunday 16<sup>th</sup> September – 10.00 am start**

A variety of tasks are planned including the removal of a post and wire fence, moving a quantity of stone in readiness for building up a hedge bank and scrub clearance to prepare for the planting of a new orchard area.

We will be providing the usual refreshments of drinks (hot and cold) plus a hot pasty for lunch. Please call to let us know if you can make it so we have some idea of numbers.

If you have some tools suitable for scrub clearance please feel free to bring them along. Stay as long or as short as you wish.

*Thank you as always for your kind support  
Modbury Millennium Meadow Committee  
(Contact numbers 830550/830007)*

## MODBURY P3

**Congratulations to Robert Brown of Cromwell Park for winning the Norman Fuzeland Cup!**

This splendid cup has been kindly donated by Roy Sims in memory of Norman who was a well known and highly respected lifelong resident of Modbury. The cup will be presented annually to anyone who has achieved something special in the P3 Fair Walks. Robert, who is only 10 years old, completed the longest 21 mile route with his father and is a credit to his generation. The cup was presented to him at Modbury Primary School during assembly time at end of term by Headmistress, Bridie Thong.

## **THE GREEN CORNER**

“Global Warming” is out – the preferred term now being “Climate Change”. How many people remember an Environment Minister last year urging us to conserve water in the garden by planting Mediterranean type plants to cope with the expected arid summers? No consolation to the flooded communities of Gloucester, but it does remind us that Climate Change is a fact of life, the only debateable point being the proportion due to human activity.

Grant aid is available to everyone to reduce their carbon emissions through Government, energy suppliers and Local Authorities, so if you're thinking of changing your central heating boiler or putting in new or extra loft or wall insulation it's worth finding out about them. For example, everyone is entitled to a grant of between 30% and 70% of insulation costs, and you may be entitled to 100% if you are on certain benefits or tax credits. Have a look at [www.energysavingtrust.org.uk](http://www.energysavingtrust.org.uk), or telephone a really helpful Andy in Plymouth on 0800 512 012 for all manner of green advice. It pays to save the planet!

Or if the summer days are too wet to get out, visit [www.devon.gov.uk](http://www.devon.gov.uk), follow the links to Environment and Climate Change and look at “Making Devon Greener”.

## VOICES OF THE WEST

This informal literary course of twelve lessons will take authors with a natal, domiciliary or strong artistic link to the West Country as its unifying theme. We shall consider a wide range of writers from those of the first rank to a reappraisal of the almost forgotten. The area of study will be how their love of the West inspired some writers to explore great universal themes while limiting others to localised interest and appreciation. There will be a coffee morning at the address below on Wednesday 26 September at which a full prospectus will be available and places may be reserved. If you are unable to attend, give Ann a ring for information. Classes will be held on both Monday and Tuesday afternoons as previously.
